

Rugby English Active Learning Programme by SCOLAR

Our introduction to Rugby Programme is a fun way to learn the game. It's perfect for beginners! You'll pick up the basics like passing, running, and teamwork through games and easy drills that keep you smiling and moving. Every session is relaxed, supportive, and designed to help you build confidence while having a great time. English is used throughout the session for instruction. Our enthusiastic coaches will guide you every step of the way, so no experience is needed—just enthusiasm and a willingness to give it a go! Come join us, make new friends, and discover how much fun rugby can be!

In my first rugby lesson, when I ran across the field, I felt very nervous and was afraid of falling down. The coach taught us to hold the ball tight to our chest. Protecting the ball is important. When I passed the ball with my classmates, I realized it's hard to move forward when I am alone, but by working together as a team, we could pass the ball much farther and faster. I learned that falling is not embarrassing. You just need to get up quickly. I also learned that rugby is not an individual sport. You have to trust your teammates, and helping one another is very important. The whole experience made me feel that the power of unity is truly great. **Zhong Hei Yi, Hailey, 6E**

This year I joined the Rugby English Learning Programme. This was my first experience with rugby. I found rugby to be a very exciting sport. Unlike football, we can hold the ball with 2 hands and even tackle other players. The programme also helped me improve my English. Through my training and communication in English, I learned many technical terms and became more confident in expressing myself. Rugby requires teamwork and patience. During our practices and matches, I realized the importance of trust and support among teammates. This rugby programme gave me a valuable experience in both sports and English learning. If it is held again next year, I'm sure I will join it again. **Yeung Shing Chun, Wesley, 5A**

I really enjoyed the English rugby activity, and it was so much fun. We played touch rugby, so there was no tackling. We are beginners, so that would be dangerous. We need to touch the player with two hands to get the ball back. The coaches are very friendly and helpful, too. After our rugby activity, we took out our English books and read together. It was amazing to learn English and rugby at the same time. Last week, we received a mini rugby ball we could take home and practice with. I also learned that we need teamwork to win the game. Without the team working together, there is no way we could succeed and win! If you ever get the chance to join this activity, you should take the opportunity and join the team. **Lee Sze Lam, Chloe, 6E**

SMARTIES

Let's all say hello to our new Principal

Have you seen a new face at the school gates this year? That's our new principal, Mr. Chan Yu Kwan! We sat down with him to find out what makes him happy to be here and what he's most excited about for the future of T.Y.C.Y. Make sure you say hello to him when you see him at school.

Welcome to T.Y.C.Y! Can you tell us the first thing you noticed about our school when you arrived?

The first thing I noticed was the warm smiles of the students and the teachers. I could feel that our school is a safe, friendly and caring place for the children to learn and grow.

What is your favourite spot on the school campus so far?

My favourite spots are the drawings on each floor. They are very beautiful and full of life. I enjoy watching the students at those places to relax and read. The students here at T.Y.C.Y. are very polite and are always smiling.

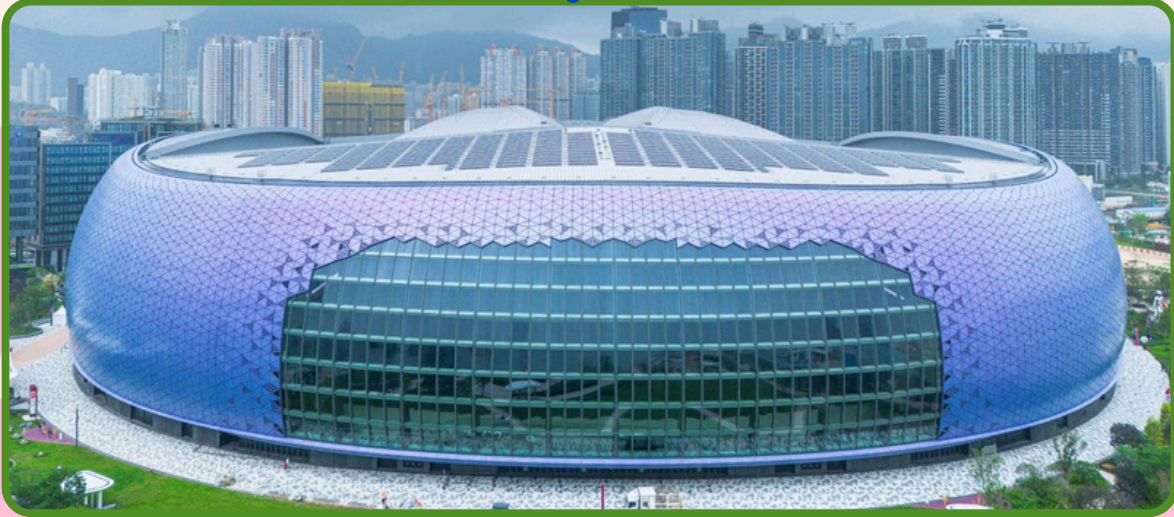

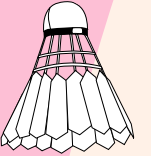

What was your favourite subject when you were in primary school?

When I was a primary student, my favourite subject was Chinese because I liked reading traditional Chinese storybooks and I liked reading very much. I was generally a good student, but sometimes I liked to talk and laugh with my friends and classmates, a little too much in class. Haha!

When you were young, what was your dream?

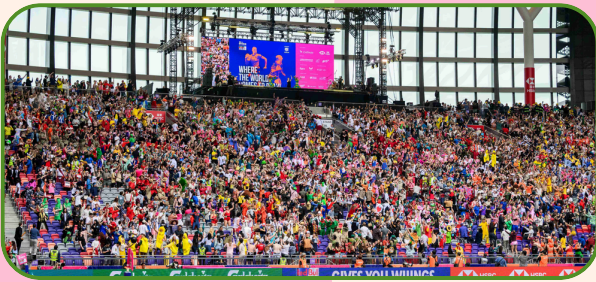

When I was your age, I wanted to be a teacher because I enjoyed helping my classmates and I dreamt of working with children and making the school a happy place for them.

Kai Tak Sports Park

The new Kai Tak Sports Park in Hong Kong is an exciting landmark blending sports, culture, and leisure. Built on the former Kai Tak Airport site, it features a modern stadium with a retractable roof, an indoor arena, and green public spaces. Designed for major sporting events, concerts, and community gatherings, it offers a dynamic venue for all. With its stunning waterfront views and sustainable design, Kai Tak symbolizes Hong Kong's vibrant and forward-looking spirit. Make sure to visit this new Hong Kong landmark soon!

Hong Kong Seven's

The 2026 Kai Tak Rugby 7's will be a thrilling, world-class event held at Hong Kong's new Kai Tak Sports Park. Featuring top international teams, electric crowds, and unforgettable entertainment, it promises fast-paced action and vibrant energy, celebrating the city's passion for rugby on a spectacular global stage.

BLACKPINK Concert

The recent BLACKPINK concert at Hong Kong's Kai Tak Sports Park was a tremendous success, attracting huge crowds and delivering unforgettable performances. With dazzling visuals, and electrifying fan energy, it highlighted BLACKPINK's influence and established Kai Tak as a top destination.

Football Events

Liverpool's recent visit to Hong Kong's Kai Tak Stadium thrilled fans with world-class football and unforgettable moments. The team's skill, energy, and connection with supporters created an electric atmosphere, highlighting Kai Tak's stature as a venue for global sporting events.

Jay Chou

Jay Chou's concert at Hong Kong's Kai Tak Sports Park was a spectacular success, engaging fans with his iconic hits and stunning stage design. The state-of-the-art venue enhanced the experience, proving Kai Tak's excellence as a world-class entertainment destination.

Meet T.Y.C.Y.'s New Pet Lizards

Tsing Yi Chu Yan Primary School has welcomed two unique "guest students": Song Song, a mini dinosaur-like Bearded Dragon, and Bao Bao, a beautifully spotted Leopard Gecko. These desert dwellers serve as eco-teachers, fostering a deep respect for life. The children find these creatures incredibly cute, especially noting how Song Song is remarkably smart. They are equally impressed by Bao Bao's cool character. These interactions have shown the students that these reptiles are kind and clever, inspiring a collective commitment to protect and cherish every living soul with love.

Fill in the crossword puzzle and then fill in the secret word below by looking at the arrows and the numbers. Match them and find out the secret word.
